“ To my one and only brother, I know we didn't always see eye to eye and I think that's a family gem of sorts. I wish it would of been me rather than you bro, prison couldn't kill me,this wont kill me,but I already miss your big self. I will always remember you as long as I'm can remember anything in what's left of my life. all my thoughts to the family regardless of the past. It's for my one and only brother Sergio...George Ruben
