“ I have to share a funny with everyone, when my dad passed Duane was very upset we had services at the nursing home and he asked if he could say something we said of course ! He started out saying that he loved this nursing home and that his wife was a prisoner here , he said oh no I mean she was a patient! We all laughed and kinda eased my heart knowing that he cared about my father and was kind and always saying hello ! He closed my fathers service with a beautiful prayer that I hold dear to my heart 💙 He will always hold a great memory in my heart! He was such a great Christian Man ! I will miss seeing him driving in his golf cart ! God bless you all
