“ Dearest Monica , Kathy, and family.

We are so sorry to hear Sherry passed away. I noticed it was very quiet on facebook from my friends and just when it hit me, you posted of her passing. Sherry was my friend as you all are and she will be missed every day. We had so many good times together and here it is one of her fav times of the year. I will post a little witch cutout for her at my home, she loved Halloween and being a witch :) <3 . The one day that really sticks in my mind is when we all got Elvis concert tickets and he passed that week. Someone returned the tickets and we all kinda freaked out cut they would be worth so much in the years :D . Your mom loved singing and she did and we all loved it :) . She was amazing and she cared for us all as if we were her extended children. I hope you all are ok, I send a virtual hug to you (((((HUGZ)))))). We love you Sherry. We also love Mongo :) I hope they are together in Heaven now.

Love always,

Brenda Lee and family.
