

Steve G. Dunlap

July 31, 1953 - November 29, 2025

Stephen Glenn Dunlap (Steve) recently passed away at the age of 72. He was preceded in death by his parents, Kenneth Dunlap and Lewanda Nietula, and sister Sharon Dunlap. He is survived by his brother Kenny Dunlap, sister-in-law Julie Mack, Nephew Floyd Hobbs, Niece Aubrey Dunlap, Nephew Will Navarro, Nephew Kevin Dunlap, Niece Madeline Munce-Dunlap and niece Mary Dunlap. Steve was an immensely talented artist and craftsman who never fully realized the depth of his talent. He was a generous brother and uncle. He had an adventurous childhood and adolescence. This adventurous spirit continued into his life as a young adult. The gift that his death gives us is a reminder to keep in touch with people we love and always be willing to throw them a lifeline, even if they don't take it. There will be a memorial service held February 7th at 2:00 in his workshop at 2505 W. Arcadia Lane, Willcox AZ

“ I remember when we moved to Willcox I was a little bratty cousin and Steve still tolerated me. I remember him having a fast Chevelle, letting me ride his Kawasaki 900 when I was 13 and I went into town. A few minutes later I returned out Airport Road with Willcox’s finest trailing behind me as I came across I 10.
Rest in peace Steve and say hello to Dane for me.
Always my coolest cousin!

“ Steve was my step-dad for a while and he was always very loving and kind, and loved to cook delicious meals and show off his latest woodworking projects. I had lost touch with him over the years unfortunately, but he will always have a special place in my heart. Much love to the family. -

“ *Steve was a great buddy, friend, and musician. Though the years
have passed since we spent time together the memories of playing
music, exploring the mountains and deserts in our pickups together
remain. Always a smile and a story to tell, a good man and a true
friend. May you rest in peace.*

“ I’m so saddened to hear about Steve, and I want to share how deeply grateful I am to have known him. He came into my life showing nothing but love, kindness, and respect — to both my mom, Cary, and to me. He was this well of random facts and knowledge, from wildlife to woodworking. He even built me a gorgeous bookshelf and carved a one-of-a-kind hummingbird I still treasure today.

His generosity reached beyond just us. He welcomed our friends into his world too, inviting them to Pinetop and taking us skiing for years. I’ll never forget our trips to Cascabel, our shared love for the computer game DARKSEED, the way his pipe smoke smelled like cherries (loved it) and yes, his beef and barley soup that I absolutely refused to eat.

I love you, Steve. ‘Till I see you again, my friend. Love, Tina

“ *Here's to the good friend of the whole Ringnell family. One of the best drummers, a fantastic woodworker, and life long Outdoorsman. We knew each other from the age of three, had lots of great times, and made some awesome memories together. We will miss your smile, laughter, and common sense. Mike, Judy, Matt, and the rest of the Ringnell clan.*
