“ Steven is a beautiful soul. Loving caring and handsome man. Loved fishing watching LA Lakers and Dallas Cowboys. His favorite movie was *The Lion King*. Loved to eat green chicken enchiladas. Willing to try the hottest spicy food. Enjoyed spending his time with his Pops and his dogs Babygirl and Orion and his cats. He always knew what to say to make me smile. Willing to lend a helping hand to whoever needed it. He was gone way too soon. He joined his mom and grandparents my he rest in peace.
