“ Steven is a beautiful soul. Loving caring and handsome man. Loved fishing watching LA Lakers and Dallas Cowboys. His favorite movie was *The Lion King*. Loved to eat green chicken enchiladas. Willing to try the hottest spicy food. Enjoyed spending his time with his Pops and his dogs *Babygirl* and *Orion* and his cats. He always knew what to say to make me smile. Willing to lend a helping hand to whoever needed it. He was gone way too soon. He joined his mom and grandparents my he rest in peace.
