“ Susie was everyone's Mom. If you were at her house around mealtime, you ate with her. And you ate good. When I worked for them part time she kept telling me to be sure to eat enough. Susie and Leroy are among the dearest friends friends my parents had. Whether we were at a 4H meeting, at church, or just sitting around the dinner table Susie made you feel welcome and loved. My sisters and brother are mourning her loss while fondly remembering her life.
