“ *My Grandma❤️
 When i was little and all throughout high school you were my safety. Always welcoming my friends, making sure i had what i wanted. You made a difference in all the little babies you cared for. Always putting their needs way above yours. Last time i saw you, you wanted me to put a rosary in my car to keep me safe. I'll love you forever❤️*

“ Many conversations. Many laughters. That is what I remember about my cousin Terry and God mother Terry. When I was little she always bought me something for X-mas. Usually they were warm slippers. May you rest in peace. You are now in a beautiful dimension called "Heavenly Love ". All your loved ones that are in that dimension are greeting you with open arms. Hasta la vista Nina Terry.
