

Thomas "Tom" M. Kuykendall

May 23, 1939 - April 13, 2020

Thomas "Tom" Marlin Kuykendall

1939 - 2020

Tom was born to Leslie and Kate Kuykendall on May 23, 1939 in Bisbee, Arizona. He went home to be with his Heavenly Father April 13, 2020 at the age of 80. He passed away peacefully at home shortly after making his last trip up into the pasture to check his water and cows...just the way he would have wanted it. Thank you Lord!

Tom's grade school years were spent at Ash Creek School and graduated from high school from Valley Union. Attendance at Arizona State University was brief, as the ranch and a beautiful young lady beckoned him home! Before settling down, he worked for the Forest Service blading roads.

February 9, 1963 was a special day as he took Betty Jo "B.J." Gardner, the absolute love of his life, as his wife. Together they ranched, raised two children, and danced at least a million miles together!

Tom was a 5th generation cattle rancher and blessed to call IGO Ranches

home all his life. He liked heavy calves, high grass, and a good rain! In his younger days, after the work was done, you could find him roping goats and calves, fishing with family and good friends, racing cars, playing a good game of golf, and welding in his shop...and of course, out on the dance floor! He was always a really good shot. He had a passion for building his own guns and loading his own ammunition. Needless to say, he saw to it that his family was always "loaded for bear" at the competition shoots they attended together...Loosing was not generally an option! He never missed an opportunity to mentor the competition either!

4-H and FFA were just two of the many youth organizations he volunteered his time for. He loved working with youth and could always be found helping others.

Tom was inducted into the Willcox Cowboy Hall of Fame in 2010. He considered this a true honor and was humbled by the vote of his peers!

Valley Telephone became very special to Tom. He was elected in 1999 to represent District #2 on the Board of Directors where he dedicated 21 years to serving and upholding the values of a member owned cooperative.

In his later years you could always find Tom surrounded by family, friends and best of all, those ornery and much loved great grandbabies... and of course, still weighing up the heaviest calves in the neighborhood!

Tom's life will be celebrated in a private family service on the family ranch.

Tom was preceded in death by his precious wife B.J. Kuykendall, and Survivors include:

Children: Tammy Sue Smith (Steven) and William Marlin Kuykendall

Grandchildren: Steven Chance Smith (Iliana), Will Hadley Smith (Patricia) and Shaye Lynn Clemson (Tyler)

“ I was one grade ahead of Tommy at Valley Union High School. I was in 4H and FFA with Tommy. We took livestock to the Cochise County Fair and participated in various contests and events throughout the state. I always looked forward to seeing Tommy at the high school reunions where we were able to reminisce and update events in our lives. In our high school years Pug Scott's fiddle music was very popular to dance to. I remember the last time I saw Tommy, it was at Noel Morris's Restaurant in Elfrida. I had breakfast coffee with him, James Grizzle and several other locals. I was always amazed how Tommy was able to make a living through many lean years at his IGO Ranches. He was able to keep the family ranch and perpetuate the family ideals. He raised his kids in a Christian country environment, no tract house or traffic congestion there. I envied Tom being able to live on his ranch instead of living in a city, missing the country life as I did. With sympathy on the loss of your Father. To lose someone you loved so much is very hard to bear, but may God bless and comfort you and keep you in his care.

“ From the Zamora Family; condolences to the family, our thoughts and prayers to the family. We will never forget the impact your parents had on us, as we attended Elfrida School. Mr. And Mrs Kuykendall impacted the lives of so many, they were kind and generous as they always gave of themselves. They will be remembered not only as friends, but as parents to not only their children but to many who knew them and attended the Elfrida schools! Your positive influence lives in us... and for this.. we thank you!

“ Talked to Tommy not long ago at Safeway, it was good to catch up and store away another one of his perspectives; he had volumes and each and everyone worth keeping. We will miss his stories, his laugh and his knowledge, but those are things he left to each of you and it is wonderful that his legacy is so strong and seen in all of his family.

“ Tommy and Betty Jo were fixtures in my life from an early age. My heart is saddened at your passing but rejoicing that you and BJ are reunited once again. I have visions that there is a dance in heaven this weekend and you guys and my folks will be cuttin a fine rug! Bless all of the family in this trying time and know that the Stark family is sending our thoughts for comfort your way.
