

## Tibbi Marie Gunn

March 16, 1948 - May 7, 2025

Tibbi Marie Gunn, a beloved force of nature, transitioned from this life on 5/07/2025. Born 3/16/1948, what she wasn't given in a measure of days was countered in intensity of spirit. Being the eldest sibling of four girls, she drew from family expectations and was the bridge of that knowledge.

As a practicing Buddhist for most of her adult life, she embraced the strength that comes from overcoming the adversities of life. Like all of us, she didn't always win, but she was always willing to do her damndest. Tibbi embodied the Gunn Clan motto "Aux Pax Aux Bellum."

She was also a writer, an office manager, a master seamstress and a bookkeeper.

She is survived by her three sisters, two brothers-in-law, three nephews, 3 grand nephews and a grandniece.

No local services will be held.

“Wow...Oh my! First met Tibbi Gunn in 2005. She was just thoughtful and wonderful over the years. Last saw Tibbi Gunn in 2023 in Los Angeles. Later on I discussed her move to Willcox, Arizona in Cochise County with Bisbee as the county seat. See liked Willcox and the people she met there. There many people in the San Fernando Valley and throughout Los Angeles who miss her. Though her health was failing her Viking heart remained strong. Shall miss Tibbi Gunn.

“ I know in my heart you are dancing among the stars and at peace , but I miss you so much already and still think it's going to be you when my phone rings at odd hours of the night ...it was such an honor to work for you and your friendship will always be a blessing I cherish it will bring a smile when things trigger those memories of our times together.. Sending prayers for strength to her family during this time God will get us through

“ I met Tibbi about a year ago and was very blessed to have known her. Her laughter and smile was infectious, as most pisces women tend to be. She loved to read, in fact 60% of her home was covered in books. Books about healing, books about religion, books of Astrology, Most of all Tibbi will be remembered for her deep love of Buddhism. I remember working long hours with Tibbi Gunn (2 l's. 2 b's, and 2 n's) is how she always introduced herself amongst strangers. She was meticulous with each and every book, being careful to mend the book back to good. Tibbi's friends in California, her home state, have been friends to her for her entire life. TIBBI'S SMILE IS INFECTIOUS AND LASTING FAR AFTER SHE IS GONE SHE WILL BE REMEMBERED FOR HER SMILE AND HOW ICE CREAM BROUGHT OUT THE BIGGEST OF THEM TO HER FACE. I REMEMBER OUR FIRST DATE TO THE CHINESE RESTAURANT IN SAFFORD, AZ. SHE HAD HER HANDS OUT THE WINDOW SMILING AND PRETENDING WE WERE THELMA AND LOUISE. IT WAS A SPECIAL DAY FOR THE BOTH OF US. I WILL FOREVER KEEP YOU IN MY THOUGHTS AND MEMORIES, RIP TIBBI MARIE GUNN!!!
