“ We are so sorry to hear this bad news for the family and friends. We knew her mother, Twila, and her husband well. In every encounter with her, she was lively, friendly, and uplifting. We pray for the comfort of each one of her friends and family; may the God of all comfort be with you.

“ *Sincerest condolences to the Shelton family. I have such fond memories of Ty and the whole family. We were "neighbors" in Kansas Settlement, albeit a few miles away. I remember my sis Gina and I staying with the Shelton family a couple times when my parents (Henry & Helen Polk) had to go out of town. We were always welcomed like their kids. Some years back my husband and I attended a Memorial Day ceremony at the Sulphur Springs Community Cemetery on Baker Road. Ty and Frank were there and I recognized her after over 60 years. It was nice to make a connection from so many years ago.*

“ I spent quite a bit of time in the Shelton home. Mrs. Shelton (as I still prefer to call her) always made me feel welcome. She was kind with a dry sense of humor. She was a wonderful cook and I can still remember her delicious biscuits and gravy and I loved her green beans. 😊 I really appreciated her and she made an impression on this transplanted Texan. So sorry for your loss. She will be missed.

“ My sympathy to the family of Twila! She was a pioneer, a legend in our community. A lineman’s widow whose electricity was the last one her husband fixed when there were storms and outages when Frank was on SSVEC’s line crews. She did so much to support our community in so many ways! She always showed her love and friendship to me, and was a mentor I will never forget!
