

## Veronica "Roni" Fenn

July 6, 1962 - March 31, 2013

Veronica "Roni" Fenn was taken to be with our Lord, March 31, 2013 at the age of 50. She was born in San Pedro, California on July 6, 1962. Roni is survived by her husband Steve, sons Logan and Connor, her father Ben Fortun and her brother Anthony "Tony" Fortun. Roni also is survived by a multitude of Aunts, Uncles, Nieces, Nephews, Cousins, Sisters in law and Brothers in law, too numerous to mention individually. Preceding her in death was her mother Fruta "Candie".

Roni grew up in Torrance CA, graduated from University of Idaho where she studied forestry. She worked for a cruise line as a cruise director that travelled up and down the Alaskan coast. Later she worked for the BLM as a recreation planner in the deserts of California and helped develop numerous youth programs for the BLM. Then in 1998 transferred to the Southern Arizona BLM district. It was then, through a co-worker, that Roni met Steve, fell in love, married and started a family. This was where Roni found her true passion and purpose in life, as a mother, wife and homemaker. She devoted herself to her family, friends, and church. She continued to volunteer and work with her great enthusiasm for St. Jude Catholic Church, the countless 4-H programs, the SALIA livestock shows, and many other causes that she felt strongly about. Roni homeschooled her two sons as well as assisted her husband Steve to run Fenn Ag Company. Roni's smile, love of life and helping hands will be missed by all that knew her.

A Rosary will be offered 7:00 P.M. on Thursday, April 11, 2013 at St. Jude Thaddeus Catholic Church in Pearce/Sunsites, Arizona with visitation beginning at 6:00 P.M.

Mass of Christian Burial will be 9:30 A.M. on Friday, April 12, 2013 at the Pearce Elementary School Gymnasium. Cremation will follow at Westlawn Crematory.

Condolences may be expressed to the family at [www.westlawnchapelmortuary.com](http://www.westlawnchapelmortuary.com)

In lieu of flowers the Fenn family has requested that donations be made in Roni's name to Cochise County 4-H. It was always Roni's wish that all youth have the opportunity to

participate in the 4-h program and all that it offers. This special fund will assist the needs of the many 4-H youth in Cochise County who were so dear to Roni's heart.

Cochise County 4-H, 450 S. Haskell Avenue, Willcox, AZ. 85643. Services entrusted to Westlawn Chapel, Mortuary and Crematory of Willcox, Arizona.

“ *I just received the University of Idaho's alumni magazine to sadly learn of Roni's passing. I remember Roni very well when I attended the College of Forestry, Wildlife and Range Sciences where I majored in Forestry, graduating in 1990. We both worked on the college magazine (I believe she was the editor) for at least a couple of years. Roni always had a smile and was very friendly with everyone and we always visited when we passed in the hallways. My condolences to her family. Chris Maranto, Sacramento, CA.*

“ *As next door neighbors, we were priviledged to meet Roni and the family about 5 years ago. What a wonderful lady she was! We could never out give her...she gave us eggs, produce, and chickens out of a huge heart. Her life was Jesus in the Flesh to us, and right next door!*

“ I am saddened to hear about Roni's transition. I remember her from the first intro to recreation class I took from the BLM and her presence was a delight and full of energy. May her family find strength during this difficult time by feeling the flood of emotions. If any of us could ease the pain, we would.

“ *Roni was a vital part of the family at BLM's California Desert District. She was vital in the importance context- and even more vital in the alive context.*

*Any mundane task or meeting would come to life with a little of her magic- I am confident that she has been just as important a part of many lives that she touched.*

“ *Dear Roni was the heart and soul of the late great WOW program. Ron was recruited for her untiring efforts to bring outdoor camping skills to the inner city. Roni spearheaded the development of the model program and lead by example. She brought a spirit and enthusiasm to every project she put her mind to. I remember her sitting in front of a group of eager youth and keeping them spellbound discussing indian rock art and natures gifts to us. Her warm loving personality was so appreciated by all that had the honor to work with her. I look forward to feeling her spirit again on Friday and sharing the moment with family and friends. We miss you "Ronster the Monster"*

“ Heaven gained an amazing woman. An extraordinary mother of 2 young boys, a fine wife... everything in her schedule revolved around her family, and serving others. Very few, volunteer to go that extra mile, and Roni always did. She held the world on her shoulders, and held things together for her family, her church family, her community, neighbors, and friends. ? A go getter, a beautiful, amazing woman... with a ready smile, and a very good heart. She loved, and was loved. One of the best neighbors and friends my family and I have ever had. We could never thank her enough, for her efforts, her friendship, and her love. God bless you, Roni... and the Fenn family. We miss you. You are loved. ?

“ I met Roni when she transferred to the Bureau of Land Management in Tucson, were we were co-workers, I learned that Roni helped develop WOW wonderful outdoor world for BLM's youth program, Roni also helped write the Las Cienegas National Conservation Resource Management Plan. While in the Sierra Vista BLM office, Roni worked with the Friends of San Pedro River, developed Interpretive displays for the ghost town of Fairbank, Roni was also very active in the National Association for Interpretation, and much much more, I invited Roni to an Easter picnic where she met my brother Steve, and next thing we know they begin there new lives together, were married, had 2 wonderful kids Logan and Connor and a great life with friends, family, church, animals, farming, traveling and so on.... I will miss you Roni, from your co-worker and sister-in-law Catie.

“ *My deepest sympathies go out to Roni's family. I recall teaming up with Roni to teach Leave No Trace to school children. We presented a routine known as the "Impact Monster" and the children loved Roni's presentation. She knew how to "ham it up" for the kids. One Impact Monster show will always stick in my memory -- we were teaching about fifty 1st & 2nd graders. Roni was so effective as the "Monster" that the children were outraged (many were standing and shaking their fists) that anyone could be so callous as to violate the principles of Leave No Trace. She truly had a gift with the youth. I will miss her.*

“ To all of Roni's immediate family and extended family of friends.....a light shines brighter in heaven.... 2 of my favorite Roni posts say it all -- "OHANA" - "means family. Family means nobody gets left behind" and "Family isn't always blood. It's the people in your life who want you in theirs, the ones who accept you for who you are. The ones who would do anything to see you smile and who love you know matter what" Our family misses you and will always celebrate the light you brought into our lives! “ So sad to hear of Roni's passing. She was a beautiful person through and through. I remember the days of "Roni & Elayn" like they were yesterday. She always had a smile and a hug for anybody that needed one. Some work relationships stay with you always and Roni was one of those special rays of light that pass through your heart and leave a lasting impression. She never forgot to include my son - always. Way before she had her own little ones, she was sensitive to the needs of children.
