“ This was the grandfather of my 2 oldest children. His title was the Batalian cheif of the San Bernardino fire dept. He retired in Pagosa Springs Colorado where he lived at his time of passing. My only regret is that he didn't take the time to know my children who are adults now with children of their own. There was only one male that will carry on the Lumbattis name and it would have been nice if he could have gotten to know him and his sister before his passing. Wayne had a lot he could have taught them like hunting and fishing which he did a lot of in Mexico every year.. We wish you the best on your trip to the other side. Maybe we will see you again when our time comes to make the trip.. until then All our love to you Grandpa Wayne.. love, Robin Lumbattis, Nichole LeAnne Lumbattis and Kenneth Wayne Lumbattis...2024...
