“ *I remember Mr. Beardsley with great fondness. I had just started working at Elsie Hogan Library and he used to come in and chat while he was making copies or checking out books. He was always cheerful and friendly every time I saw him. Please accept my deepest condolences. I will miss seeing him.*

“ *Wilfred i will always remember you and what a great person you were. I have a lot of grat memories of you. The one that i remember the most and look back laughin is driving around town looking for you because you took off driving to go get a sandwich. Mondays, Wednesday and Fridays Morning were my favorite you always had someting nice to say that put a smile on my face. How can i forget the wonderfull stories you usted to tell me in Spanish. Descansa Wilfred ❤️*
