“ Our deepest sympathy goes out to each of the Bill Brown family at this time of loss.

*Bill was a wonderful friend, an optimistic person even when he was down. He always had a smile on his face, a kind word, and a personality to envy. Always happy and usually had a funny story, one of which we remember and tell often, about his stopping at a store down south of Willcox, (when he was employed at SSVEC and shortly after a rate change). The store went up on their price of the item Bill was going to buy, but he just smiled, said, " No thank you".....and waited until later to make his purchase. He won after all.*

*May God bless each of you, giving you peace, comfort and guidance during this time.*
