I always wondered what had happened to Billy. My dad (LJ) was his brother. He spoke of Billy often. I wish that I would have had a chance to meet him*

“ *I hadnt seen my brother in many years but growing up I never doubted that he loved me and I have always kept my love for him alive through. Those memories. I have tried to find him over the years but didn't know where he was. My heart goes out to his family. May the good memories bring you comfort and God grant you strength when it is most needed. With love in my heart, Gail capes Beckett, little sister*

“ God Bless Mr. Capes soul and his family. I'm pretty sure my 'need for speed' and love of dirt biking came from Bill through my friendship with his sons as youngsters. We would go to the dirt track races at Central Arizona Raceway, and Matt and I spent countless hours on dirt bikes racing through the desert around the Children's Colony in Coolidge. We'd get into some kind of trouble and I can still hear Bill hollering 'what in Sam Hill are you boys up to?', a phrase I still use often to this day! May peace and grace find his soul, and may strength and comfort find his friends and family - Casey Richards, Oklahoma City
