“ *Our condolences to Harold's family. I worked with Harold for about 16 years at SSVEC. He was a good man and Lineman. Even though he had a tough exterior he had a good heart and would go out of his way to help the customers. He was a joker too and would often tape up our work stations while we were out to lunch. We will cherish the memories we had working with him He will be missed.*

“ *Harold Sr was a good man! Having worked with him, a SSVEC lineman for many years, I saw how hard he worked to help our customers, and how deeply he cared for his family, neighbors and community! He may have seemed gruff on the outside, teased a lot, but he was a good hearted giving man who worked hard all of his life. Rancher, lineman, gardner, landscaper to name a few of his trades and my friend, Rest In Peace!*
