“ *I remember her as Wemo. She was a darling, feisty, little kid. A fun loving girl with a great laugh. Her love of family and friends defined her all of her life. She was always ready to help if anyone needed a hand. When her Aunt Mary(my Mother), was making her transition, Wilma was there to help feed us and console us with food and tenderness.*

She will be remembered well.

“ *Fond memories from our childhood of looking for frogs and tadpoles with you around the pond shaded by cottonwood trees; swimming with inner tubes in the concrete livestock storage tank on a hot summer day with all the cousins. Rest in peace Willie.*
